

An illustration of two skeletons. The skeleton on the left wears a purple turban with gold patterns and has a wide, toothy grin showing white teeth. The skeleton on the right wears a black top hat and a black coat, also with a wide, toothy grin showing white teeth. The background features a window with a purple and yellow pattern and a dark, ornate wall.

GIGGLEMUG

Let us spin you the tale of a different kind of Christmas, of dark and smokey nights and Skeleton drinkers. Gentlemen in top hats, With fangs and many eyes, of smart ghostly couples rattling bones through the night. Peer through grimy windows and into hazy rooms, see the rainbows and bones and listen to old tunes. Do not be fooled, you will not be afraid, despite 2020 Christmas will not be delayed. We'll cast off the dark shadows and celebrate once more, Gigglemugs are coming to knock at your door.
